**LETTER OF APPRECIATION / TESTIMONIAL FOR MS ANELE MDA**

Dear Mr Dovale

1. Mabeshane Makgopa Foundation ("the Foundation") is a non-profit organisation with a vision to **break the cycle of poverty and illiteracy**. Our mission statement is **"Enhancing the dignity and quality of life of individuals, children and families by helping people reach their full potential through education, community development and coordination of services."**
2. On 24 March 2018, we held our very first high tea event and Anele Mda was our guest speaker. The theme for the event was "the best woman you can ever be is YOU". We wish to express appreciation for the services received from yourselves and specifically the speaker allocated for this event.
3. Words are not sufficient to express the level of satisfaction we felt. The talk was very motivating and inspiring to the attendees, leaving us longing for more. Anele is professional, welcoming and a good motivational speaker who has indeed restored hopes in the lives of women, especially those who were on the verge of giving up on trying in life. She really made the event worth attending.
4. Thank you for the support and looking forward to working with you in the near future.

Yours sincerely,

Makhwedi Makgopa-Madisa
